Greetings, my brothers and sisters in Christ,
On behalf of the Three Virtues Organization board members, it is with great excitement that we welcome you to join us tonight for our 10th Annual Gala on Thursday, October 30th, 2025, from 5:30 PM to 8:30 PM. This special evening will be held to support our mission, impact, and the vibrant community that makes it all possible.

This year's theme, "Two Eyes Are Better Than One," reflects our belief in the power of unity, collaboration, and shared vision in transforming lives and communities. We are honored to welcome Representative Kevin Chambliss as our keynote speaker, whose leadership and commitment to service continue to inspire.

At Three Virtues, we focus on providing hope and tangible support through our core programs:

Food Pantry – A monthly distribution program for 150 families addressing food insecurity and hygiene needs.

Children's Programs – After-school and summer camp initiatives for 50 students that promote education, creativity, and personal growth.

Social Services – Assistance with emergency needs, financial challenges, and connections to vital community resources.

The Gala will not only showcase the impact of these programs. Still, this event will also provide an opportunity for community members, leaders, and supporters to connect, reflect, and envision a brighter future together.

We are honored by your presence and support as we continue to uplift and empower those in need.

If you have any questions, comments, or would like to contribute, please don't hesitate to contact me or any Board member today. You can also contact us at: Phone: 786-231-7005, Email:
